Summary

- **Rescue Story :**
- Meet Meera, a brave soul who was rescued from an abusive situation with her brother Mylo. Thankfully, Meera and her sibling are now safe and on the road to recovery. Meera is looking for a special family who can offer her the love, care, and understanding she deserves as she

heals from his past. She may need a little extra patience, but with the right family, Meera will thrive and give back the unconditional love she has to offer.
