Summary

- Suki is a beautiful and gentle German Shepherd who is looking for her forever home. She is a quiet and sweet-natured dog who loves to be part of the pack. Suki gets along wonderfully with other dogs and enjoys their company. She thrives in a social environment and loves being around her dog friends and humans alike.
Suki is very loving and forms strong bonds with her family. She enjoys quiet moments of affection and will happily lay by your side. Her calm nature makes her an excellent companion for families looking for a loyal and gentle dog. Suki is house-trained, leashed trained and knows basic commands. She is also very intelligent and eager to learn new things. Suki is spayed, up to date on all vaccinations, and has been microchipped.
